Deadline for sign-up: 5:00 p.m., Monday, July 10, 2006***

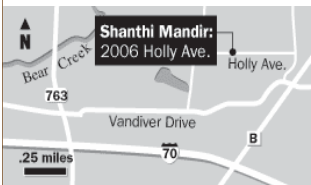

Math 2006—New Horizons Summer Workshop will be conducted by Ashok Cutkosky. The summer workshop is organized by HTCC's Youth Activities Committee. It is open to youth entering the 6th –8th grade during the 2006-2007 academic year. It is free of cost for youth from HTCC member families. *A nominal fee of \$10 is required of others during sign-up to cover cost of handout, supplies and other expenses.*

Additional information about the workshop:

- The workshop will focus on problems and concepts that are particularly useful for preparing for math competitions such as MCTM and MathCounts.
- Problems in combinatorics and counting, geometry and algebraic reasoning will be among the various topics covered.
- There will be additional problems sheets aimed at reinforcing the material learnt each day which will have a fun element as well.
- **Please contact Hema if you would like to volunteer to help with some aspects of the workshop organization.**
- ***The workshop may be continued for a few additional days depending upon participant interest.***

Please visit our web site and send us your e-mail address if you would like to be included on the **Friends of the Mandir** distribution list to receive timely program notices.
